Refund Policy

Barker has established a fee structure permitting applicants to pay agency fees in phases over the course of the adoption process. Because Barker's work with applicants is ongoing, and because applicants pay fees as services are rendered, fees cannot be refunded for services already rendered. Any returns should be on a case-by-case basis, at the discretion of Barker.

The refunding of international fees varies by country. Although Barker will make a diligent effort to obtain refunds of any international fees paid to a foreign authority/service provider/contractor, it cannot guarantee a refund. If applicants withdraw from the adoption process for any reason, or if the adoption fails for any reason, Barker cannot guarantee the return of any portion of the international fees. If fees are returned, Barker will approve the refund decision and return the fees to the applicants within sixty days.

Information Disclosure

If a family fails to properly disclose information, misrepresents material on the application or during the home study process, or in any way places the agency and its interests at risk, The Barker Adoption Foundation reserves the right to terminate the adoption process without providing any refund. The Executive Director or the International Program Director retain the right to assess individual cases and determine refunds for atypical cases.

I/we, the undersigned, have read and understand the above fee schedule. I/we understand that The Barker Adoption Foundation reserves the right to terminate, without liability or obligation, its consideration of an applicant at any point before the child(ren)'s entering the family's custody. The Barker fees set forth in this agreement will not change during the course of this adoption, unless additional requirements are placed on the Barker Adoption Foundation by virtue of us moving to, and needing to comply with, the requirements of another jurisdiction or, if additional requirements are placed on the Barker Adoption Foundation by the sending country, state, attorney or placement agency. This may include, but will not be limited to, a request for additional home visits or reports. Fees are due for all services rendered, regardless of whether a child is placed and regardless of who terminates the process.
