

India Adoption Program (Full Service)

Schedule of Fees & Estimated Expenses

Effective March 1, 2024

The Barker Adoption Foundation is a private, non-profit child-placing agency licensed in Maryland, Virginia and the District of Columbia. Our adoption programs are financed primarily through adoption fees and donations. Fees for our domestic programs are on a sliding scale based on a comprehensive assessment of the total household income as verified in the initial, approved home study. We use combined family income as reported by parent(s) and verified by employer and tax reports to determine the sliding scale fee. A description of the program's associated fees and the schedule for their payment are included in the tables below. The Barker Adoption Foundation does not customarily charge additional fees and expenses beyond those disclosed in this contract. In the event that unforeseen additional fees and expenses are incurred in the foreign country, the Agency charges such additional fees and expenses only under the following conditions:

- (a) the fees and expenses are disclosed in writing to the prospective adopting parent(s);
- (b) specific consent of the prospective adopting parent(s) is obtained before expending any funds in excess of \$1000 for which the agency will hold the prospective adopting parent(s) responsible; and
- (c) Written receipts are provided to the prospective adopting parent(s) for fees and expenses paid directly by the Agency to the intercountry program.

REFUND POLICY

Barker has established a fee structure permitting applicants to pay agency fees in phases over the course of the adoption process. Because Barker's work with applicants is ongoing, and because applicants pay fees as services are rendered, fees cannot be refunded for services already rendered. Any returns should be on a case-by-case basis, at the discretion of Barker.

The refunding of international fees varies by country. Although Barker will make a diligent effort to obtain refunds of any international fees paid to a foreign authority/service provider/contractor, it cannot guarantee a refund. If applicants withdraw from the adoption process for any reason, or if the adoption fails for any reason, Barker cannot guarantee the return of any portion of the international fees. If fees are returned, Barker will approve the refund decision and return the fees to the applicants within sixty days.

Fees paid to CEAS through Barker for the purposes of Hague monitoring and oversight are non-refundable.

INFORMATION DISCLOSURE

If a family fails to properly disclose information, misrepresents material on the application or during the home study process, or in any way places the agency and its interests at risk, The Barker Adoption Foundation reserves the right to terminate the adoption process without providing any refund. The Executive Director or the Domestic Program Director retains the right to assess individual cases and determine refunds for atypical cases.

I/we, the undersigned, have read and understand the above fee schedule. I/we understand that The Barker Adoption Foundation reserves the right to terminate, without liability or obligation, its consideration of an applicant at any point before the child(ren)'s entering the family's custody. The Barker fees set forth in this agreement will not change during the course of this adoption, unless additional requirements are placed on the Baker Adoption Foundation by virtue of us moving to, and needing to comply with, the requirements of another jurisdiction or, if additional requirements are placed on Barker Adoption Foundation by the sending country, state, attorney or placement agency. This may include, but will not be limited to, a request for additional home visits or reports. Fees are due for all services rendered, regardless of whether a child is placed and regardless of who terminates the process.

This agreement does not supersede the terms of the Service Agreement, dated, _____ which remains in full force
